DRS. DRESBACH, KUHN & PRYOR'S DYSPEPTIC CORDIAL.

Washington, Nov. 23, 1844.

Mr. C. Herstons: Dyspepsia.—This disease I had for some years to an alarming degree. Your Dyspeptic Cordial deserves more than a passing notice from me. My case was of the most distressing nature, and the conflict between my stomach and food was often severe, the stomach loathing the food, and time after time throwing it up—frequently with pain. Add to this greatly depressed spirits, with debility, nerves weakened, restless nights, frequent starting with unpleasant dreams. To describe my situation is difficult. Physicians were consulted, various medicines tried, but nothing met my case until I met with your Ohio medicine, named Drs. Dresbach, Kuhn, and Pryor's Dyspeptic Cordial. Soon after using it my disordered stomach became soothed. I continued the medine—a perfect cure has been effected—my health is now good and has been for more than a year. I can now use any article of diet without any inconvenience. In my case this valuable medicine is incontestable. My case is well known to the Rev. J. M. Hanson, having been associated with him, in the same room, for some years, in the General Post Office.
